Here are my suggested edits to the RA issue paper, which I need to send shortly. If you have any quick comments please let me know.

OGC has provided R4 staff with suggested edits to the EPA-FDEP MOA. R4 staff reviewed the proposed changes and raised some questions with OGC staff regarding consistency with the language in the draft 5-agency MOA. We understand OGC staff will discuss the issues with their management next week and recommends the draft MOA not yet be shared with FDEP.

Leif,

Rosemary and I completed our review of the EPA/DEP MOA and identified the following issues which we shared with Simma and Alexis:

Ex. 5 Deliberative Process (DP)

Simma and Alexis were receptive to all of our proposed changes except

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Rosemary and I also completed our review of the Corps/DEP MOA and attempted to share our feedback with Simma but ran out of time. We're planning to talk with her again on Monday at 10am. The Corps/DEP MOA contains only a few ESA provisions so OGC should still be okay with us sharing (once our issues are resolved) but we will confirm with Simma on Monday. Our recommendations to improve the Corps/DEP MOA include:

-

Ex. 5 Deliberative Process (DP)

I'm out of the office tomorrow on CDO but please call me on my cell (404-290-8201) if you have any questions.

Thanks,

Matt
